

MESSAGES OF HOPE

Hope Ministries, where we are transforming lives through a multi-generational and community approach to alleviate poverty, providing hope and a future.

Behold, I am doing a new thing.....

As we approached the new year, HOPE welcomed three new families. Courtney (left), was the first to join HOPE with her son, Ayden. With strong ties to the community, Courtney has a great support system cheering her on. We have had the honor of celebrating with Courtney as she passed her driver's test and got her first car! She is in her second year at NTCC. Then came Kennedy (center), with son Ryder and baby girl, Emerson. Kennedy and children adapted quickly to community at HOPE and are beginning to thrive! Kennedy enrolled in her first year of college at NTCC this Spring. HOPE was given the opportunity to follow God in a way we have never gone before, when accepting Ariana (right) and brother Zaid into the HOPE family. Ariana quickly overcame a hurdle in getting her driver's license, getting her first car and entering college! HOPE celebrates as our family grows and we see many victories in the lives of our women and children! We look forward to seeing what God will do in and through these laid-down lives!

"Our vision here at Broncy Donkey has changed, adapted, and transformed many times over in the short time we've been in business. From the very beginning, we've wanted to provide jobs for women, and teach them a skilled labor. We believe that home is one of the most neglected places in our society and were searching for a way to make a difference. Doors that we didn't even know existed were opened to us, and we are now proud to announce a blessed partnership with Hope Ministries! "

Making History

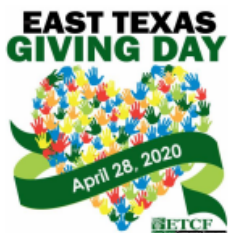

On January 20, HOPE Mount Pleasant welcomed our HOPE Brasil team. We were honored to host them as they came to be trained and attend the Hope Ministries Annual Staff Retreat In Abilene, Texas. . Paula Togni, Adriana Trussardi, and Rosane Grejo are part of the HOPE Brasil team in Porto Alegre, Brazil. They represent a total of 9 women, staff and volunteers, working to make a difference in the lives of single women and their children in the city of Porto Alegre, Brasil. While in the U.S., Togni and her team were trained in the HOPE administrative processes, HOPE Life Coaching Model, activities with children and their moms among other key things that make us HOPE. We were thrilled to receive our beautiful team from Brazil! We are blessed by their enthusiasm to serve and their joy to be a part of this great call known as HOPE. Please pray for them as they locate property and address all the details needed to begin!

Welcome back Judy G!

Judy previously served at HOPE as Staff on the Grounds. She moved back home to Louisiana early last year to take care of family. She rejoined us January 2020, in a new leadership position. Her main focus is seniors at HOPE and
