

MESSAGES OF HOPE

Hope Ministries, where we are transforming lives through a multi-generational and community approach to alleviate poverty, providing hope and a future.

Welcome Home!

As we look back over 2020, we thank God for the many victories we have experienced at HOPE. We are so blessed to have the opportunity to see every day miracles happen in our HOPE family. In light of everything going on in the world, our Kingdom family continues to grow! From March to August we welcomed four new families: 3 moms, 4 children and our very first senior couple. God is definitely taking us a way we have never been before! Please join us in welcoming: (left to right) Theresa and Samuel, Randi and Roman, Alicia, Angel and Christian, and Sergio and Josefene. They each add so much value to our Hope family and we are so pleased to have them join us on this amazing journey. Rejoice with us as we allow God to enlarge our house.

2nd Annual Skeet Shoot

Hope Ministries' 2nd Annual shooting event at Hidden Lakes Hunting Resort was AMAZING! We are humbled and excited to announce that, with your help, we raised over \$28,000! Words cannot express how thankful we are for every single individual and business who took part in this event. Whether you sponsored the event, volunteered, bought raffle tickets, or formed a team and participated, please know we could not have done it without you. We would like to give a HUGE shout-out to our sponsors. This year we were blessed to have 20 sponsors and 15 teams. Top team shooters were Conroy Tractor. Bud Kitchens was our top individual shooter and the winner of the Hidden Lakes hunting trip, provided by Cord Burnett of Hidden Lakes Hunting Resort. David Clark was the proud winner of this year's Benelli shotgun. Brandon Wilkes of B&W Pawn won the \$100 Hidden Lakes gift card. Thank you for making a real difference in the lives of the seniors, mothers, and children we serve!

Special Thank You to Our Sponsors

Creating Hope!

Friend of the ministry, Kellye Hubble is using her skills and creativity to support Hope families! Kellye and her team of volunteers, including Hope seniors use materials donated by Mayo Manufacturing to create an adorable purse that benefits our families! Kellye has also joined Broncy Donkey Leather Company in employing Hope mothers, making a lasting difference in our community. Kellye is currently collaborating with the Hope team for our upcoming fundraiser featuring a number of great products, just in time for the Holidays! You can support Hope by supporting The Market on 67.

Be sure to join us at the Landing Event Center for our upcoming Holiday Market! There will be different vendors available, offering many great items to help you finish off your holiday shopping. If you or someone you know is interested in renting a booth, please contact: Kellye Hubble @ 281-793-5145

Blessed to be a Blessing!

Hope is honored to have Bo Rester of Bo Rester State Farm join our team as a contributor to Hope! His generosity is creating permanent change in Gods kingdom and changing lives forever, not just for moms but for their children. Like Bo, You can join the Hope team with your commitment to donate, volunteer, and pray for these precious families. Will you link arms with us today?

You can give online at www.hopeofnet.org or mail your donation to Hope of NET at P.O. Box 1618, Mt. Pleasant, TX 75456.

End of Year Giving

Hello Hope family and team!

What a year! This year will go down in history as the year of forced rest, uncertainty, recalibration and growing trust in God's ability to provide for His people.

In March, like the rest of you, Hope families entered into a season of quarantine, some experiencing Covid-19. School ended abruptly for children and mothers resorted to finishing semesters on line.

The coaching, which is a vital part of Hope, changed to zoom, The Landing Event Center, used to raise money for Hope, and support our community, shut down when even small events were cancelled by the State of Texas for the welfare of all.

The growing Hope event, Women Empowering Women, shut down in April and we were unable to reschedule, as Northeast Texas Community college stopped the use of the theatre for community protection.

One thing we did not notice is that God did not slow the number of applicants to Hope and we continued to grow by faith over the pandemic adding three mothers, four children and two seniors desiring purpose and transformation. Miraculously mothers did not lose work primarily thanks to Broncy Donkey Leather company, Brookshire's grocery store and The Market on 67.

During this time, we trained Memphis TN, Rochester, New York and worked with Porto Alegre Brazil with budgets and training for their opening slated by the end of the year.

Though our generous donors, the skeet shoot event raised \$28,560. This was \$10,000 higher than last year!

We received the news of the cancellation of the 2020 chili cook-off. We invite you with join us as The Market on 67 assists Hope with a fundraiser to make up our budget deficit of \$30,000 by holding a Christmas shopping event at the landing November 12-14.

The opportunity we have waited for, the purchase of an additional apartment complex from the housing authority approaches in January of 2021. We have faithfully saved and we are excited to share that we only have a remaining balance of \$200,000 in order to pay cash for the new complex. The plans are to remodel the apartments for wheelchair accessibility, expand the current activity center, add a security fence, and move the Hope offices. The addition will add to our ability to serve 26 additional mothers through Hope and seniors through Worthies' Way.

Thank you so much for your encouraging help during this time. We never knew when someone would stop by with food, leave a \$100, or buy gift cards for groceries at Brookshire's. Calvary Bible cooked meals for seniors at Worthies' Way for the entire pandemic!

You can know that you are part of doing something permanent to change a persons life forever. We have students entering nursing school, majoring in education, sociology, psychology, obtaining GEDs, and working towards business ownership. This is a wonderful group of hardworking mothers, healing children and supportive loving seniors. They are working hard for breakthrough to change cycles that have held their families back, sometimes for generations. As they change, our nation's future changes for the positive.

If you would like to make a year-end donation to an organization that empowers families for permanent change or contribute to the capitol campaign to purchase additional housing, would you consider investing in Hope?

Thank you for your love , prayers and support.

Judy and Steve Capps
